Sponsored by Cayuga County Healthy Women's Partnership

RISE - Breast Cancer Group of Cayuga County

Reaching & Inspiring Survivors Everywhere (RISE),,was started in February 2001 by Stacey Petrosino and Brenda Kelly RN. Meets the last Wednesday of each month from 7-9pm at Cayuga Community College, staff cafeteria.

The group brings women together sharing a common bond in a relaxed atmosphere, sharing stories, experience and encouragement that leads to a sense of well being.

Women, who realize that they do not have to endure this alone, come join us.

Starting FEBRUARY, 2002,we will be meeting the 2nd and last Wednesday of every month.

A walk is planned for October 6th, 2002,1-4pm to raise awareness and also money for women in our county diagnosed with Breast Cancer.

Wishing You All Many Beautiful Tomorrows,
